

## Collaboration Request

Doha, May 30, 2024

Greetings,

I hope this message finds you well.

We are excited to inform you about the upcoming 14th Georg Rajka Symposium on Atopic Dermatitis by International Society of Atopic Dermatitis (ISAD) scheduled to take place in Doha, Qatar, from October 24th to 26th, 2024. This conference aims to bring together experts, researchers, and practitioners from around the globe to exchange insights, share best practices, and discuss the latest advancements in the field of Atopic Dermatitis.

Considering the esteemed reputation and expertise of your Association of Dermatologists, we believe that your endorsement and collaboration could greatly enhance the success and impact of this conference. Your support would not only lend credibility to the event but also provide valuable opportunities for networking, knowledge exchange, and collaboration among dermatology professionals. In addition, we would also like to discuss the potential advertising of our conference on your website and other medias to encourage the dermatologists based in your region to join our congress.

We kindly request your association to endorse and collaborate with us for this significant event. Your endorsement will be prominently displayed on all conference materials and platforms, showcasing your commitment to advancing the field of dermatology and improving patient care.

We are confident that your involvement will enrich the conference experience and contribute to its success. Your endorsement and collaboration will also strengthen the bonds between our organizations, fostering future opportunities for partnership and collaboration.

Please let us know if you require any further information or clarification regarding the conference or our collaboration proposal. We are more than willing to provide any assistance you may need.

Thank you for considering our request. We look forward to the possibility of collaborating with your Association of Dermatologists and making the International Society of Atopic Dermatitis Conference a resounding success.

Warm regards,

On Behalf of

**Prof. Martin STEINHOFF MD, PhD, M.Sc., FRCPI**

General Chair Chairman, Dept. of Dermatology and Venereology Director,

Translational Research Institute Hamad Medical Corporation,

Qatar Professor, Weill Cornell Medicine-Qatar and New York, USA Clinical Professor, Qatar University Professor, Hamad Bin Khalifa University Doha, Qatar
